

**S.I.M.P.L.E.**  
Social Impact Measurement Plan,  
Learning and Empowerment

## **NEWSLETTER**

Sustainability paths, business models and impact measurement methodologies that consider the specific features of SMEs capitalising on good business practices at national, European and international level. This is SIMPLE, an innovative Erasmus+ Project that aims also to identify the relevant skills necessary to establish such a transformation path inside SME.

### **Final Event in Venice**

On the 18th and the 19th of May, the Partnership will meet in Mestre (Venice), ISRE's headquarters, where the final event of the SIMPLE project will be held.

In this occasion, all the partners will meet to discuss and present the final steps and successful outputs and result of the project.

The project, led by ISRE, involves the participation of CCIB, CPU, PIMEC, KAUZI, PANTEION, PRISM.
